Planning funds will also allow the County to support the additional costs associated with staff time spent on collecting and analyzing CoC HMIS data and printing and distributing community reports.

4A. Sources of Match/Leverage

Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, the FY 2015 Funding Notice, and the FY 2015 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: (Be as specific as possible and include the office or grant program as applicable) Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/Leverage screen will populate the Screen "3B. Funding Request." The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Exchange:

4B. Funding Request

Instructions:

Is it feasible for the project to be under grant agreement by September 30, 2016: Select "Yes" or "No" to indicate whether the grant agreement will be executed and the project will begin operating by September 30, 2016. The FY 2015 HUD Appropriations Act requires HUD to obligate FY 2015 CoC Program funds by this date. A selection of "No" may result in the rejection of a project application during the HUD assessment. Further, if a CoC Planning award is not obligated with the grant execution by September 30, 2016, the conditional award will be terminated and the funds recaptured.

Select a grant term: This field is populated with the value "1 Year" and cannot be edited.

Eligible Costs: For items 1 through 8, enter a "Quantity AND Description" and amount of assistance for each activity for which funds are being requested. "Quantity AND Description" details should be thorough, and failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding. Once a "Quantity AND Detail" and an amount have been entered into one or more of the items, click "Save" and e-snaps will total the assistance requested and determine the total Match amount required.

Total Costs Requested: This field is automatically calculated based total amount requested for each eligible cost.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "4A. Sources of Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.
